INTRODUCTION

This guide demonstrates how to embed a guide page.

Step 1 — How to Embed a Guide

- Open the guide that you want to embed.

- Click **Options** in the upper-right corner of the guide.

- Click **Embed This Guide** from the drop-down menu.

Step 2

- A box appears with the HTML code to embed the guide and a preview of how the guide will look when embedded.

- Copy the HTML code from the box and paste it wherever you want the guide embedded.
