INTRODUCTION

This guide demonstrates how to register for a user account on a Public Dozuki site.
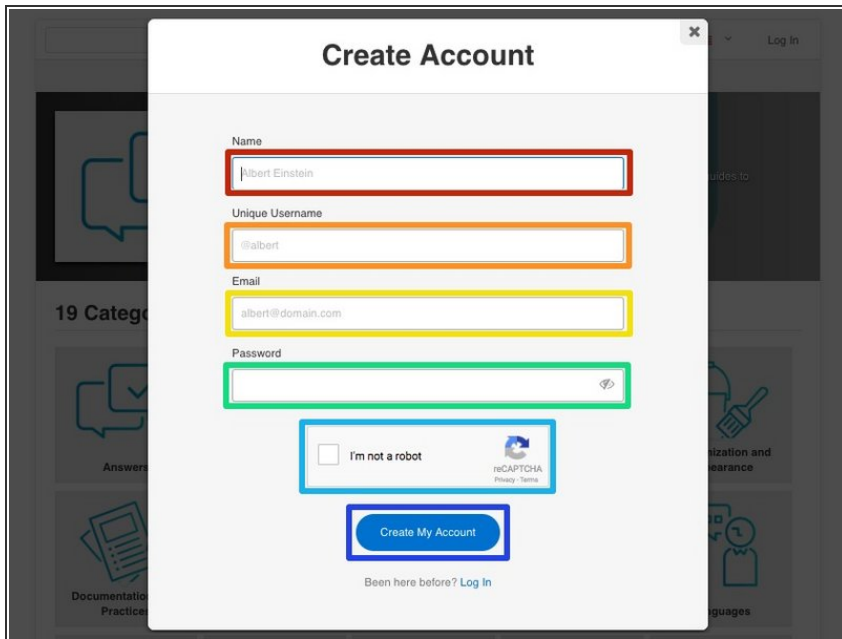

Step 1 — Open Site

- Open the Dozuki site.

- Click on the **Log In** button in the right of the site header.

Step 2 — Skip Log In

- Bypass the login screen by clicking on the **Create an account** link at the bottom of the window.

Step 3 — Create an Account

- ● Enter your **Name,** include first and last name.

- ● Create a **Unique Username**. This allows other users to mention you in their comments or questions.

- ● Enter your **Email**. This allows users to receive email notifications about activity on the Dozuki site (that involves others).

- ● Create a **password** that is secure and unique to you.

- ● Click the **check box** to confirm that you are not a robot.
  - ⓘ This launches a quick test for you to prove your human-ness. The test also protects the site from SPAM.

- ● After confirming that all of the information is correct, click on the **Create My Account** button at the bottom. You are automatically logged into the site after the account creation.
