## INTRODUCTION

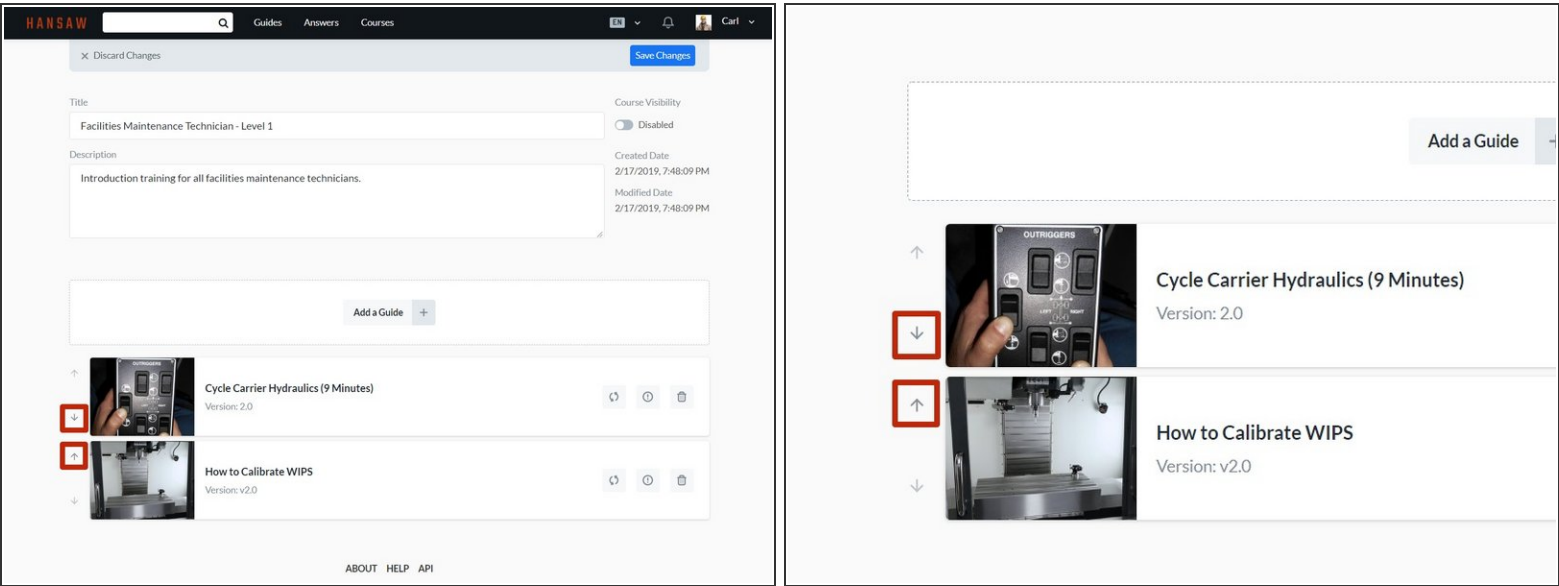

Courses allow you to reorder individual course stages to present them in an order that best fits your users. If a course stage no longer fits your training plan, you can remove it from your course.

Step 1 — Deleting a Stage

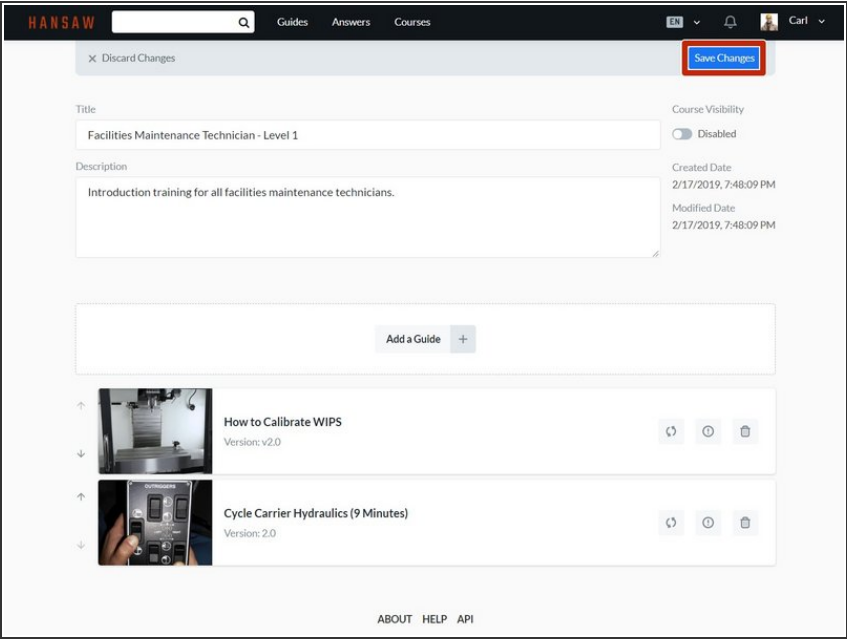

- Click on the **Delete** icon of a stage to delete that stage.

Step 2 — Reordering Stages

- Click on the up and down arrows next to a stage to move that stage up or down in the course.

Step 3

- Click on the **Save Changes** button to save your edits.
